Forecast For Wales
Issued by Met Office Exeter
at 0400 on Monday 08 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bitterly cold, with strong winds. Snow showers for some.

Today:
A frosty start, with cloud slightly clearing across the country allowing for sunny spells. Snow showers across northern and central areas, drier in the south and westernmost areas. Southern coastal gales, and strong winds throughout, feeling bitterly cold. Maximum temperature 3 deg C (37 deg F).

Tonight:
This evening and tonight, snow showers will continue, mainly across central areas, remaining largely dry elsewhere. Strong winds throughout, and feeling very cold, with ice and widespread frost developing. Minimum temperature -3 deg C (27 deg F).

Tuesday:
Another day of continued snow showers, primarily across northern and central areas, possibly reaching further west than Monday, with intermittent dry spells. Strong winds, feeling very cold. Maximum temperature 3 deg C (37 deg F).

Outlook for Wednesday to Friday:
Sunny spells and scattered snow showers on Wednesday. Showers ease on Thursday leaving drier conditions. Widespread rain and snow expected on Friday. Remaining very cold with brisk easterly winds.
